Important Announcements

The True Cost of Being Tardy

- **Professional Readiness:** Punctuality is a core professional habit. Consistently arriving late demonstrates a lack of readiness.
- **Grade Reduction:** Excessive tardies will directly result in a reduction of your "Habits of Work" score.
- **Missed Instruction:** Missing the beginning of class means missing critical instruction and foundational concepts.
- **Peer Disruption:** Tardiness disrupts the learning environment for you and your peers.
- **Academic Standards:** Frequent late arrivals directly impact your ability to meet the academic standards required for the course.

Students: Enter Phone Number!

Please take a minute to have all students enter their cell phone number into Informacast to activate alerts:

- 01 Students **open their Chromebooks**
- 02 **Log in** to Classlink
- 03 Click on **"Informacast"** on the main screen.
- 04 **Add Device** or click the **+ (plus) icon** under the device or SMS section.
- 05 Choose **SMS or Phone Call** as the device type, and select **Mobile**.
- 06 Type your **cell phone number** into the number field and click **Save**.
- 07 **Complete the verification step** (reply to the test text or answer the call) to activate alerts.

Restricted Area: The community north of campus (Tattnall Square) is highlighted in red, indicating it is a private, no-trespassing zone. The manager will trespass Charter students who violate the “Private Property” signs.

Permitted Path: A nature trail is marked in green along the east side of the image, showing that walking is allowed along the tree line. Directional signs are posted to guide pedestrians along this specific route.
